

Gevo, Inc. is an exciting, team-oriented company that is pioneering the advanced green energy industry. We are looking for a **Fermentation Technician**, based in Englewood, Colorado. The purpose of this position is to support activities within the fermentation and process development areas. The Fermentation Technician will prepare media, set up, operate, clean and maintain fermentation and recovery equipment at the bench and pilot plant scale, collect and record experiment samples, perform sample assays, perform data analysis and reporting, and maintain supply stocks.

Requirements include:

- Bachelors degree or higher in Biology or similar field of study;
- Must be willing to work shifts, nights and weekends;
- 1-3 years of experience with operation of bench and pilot scale fermentors and supporting equipment systems;
- 1-3 years of experience with equipment maintenance;
- 1-3 years of experience with media preparation, filtration and/or in situ sterilization;
- Demonstrated mechanical ability;
- Attention to detail: Ability to follow recipes using metric and English measuring units;
- Demonstrated ability to learn quickly and apply new concepts and techniques;
- The ideal candidate for this position must be a good communicator, able to work and think independently, be a team player and willing to work overtime as necessary to complete projects.

Responsibilities include:

- Required to work a shift schedule which includes a Saturday or Sunday
- Equipment and glassware cleaning, assembly and sterilization of laboratory equipment
- Media preparation, filtration and/or in situ sterilization
- Operation of bench and pilot plant fermentors and supporting equipment systems
- Equipment maintenance
- Execution of experiment and sampling protocols
- Perform basic fermentation assays
- Write and maintain Standard Operation Procedures
- Document experimental runs by maintaining accurate and thorough lab notebook documentation
- Write technical reports
- Stock and order as necessary

Gevo offers a competitive compensation package. If interested, please submit a letter of interest, resume and salary requirements to careers@gevo.com or fax to 303-379-6630.
